The *Covenant of the Torch* made with Abraham is the most significant among all the covenants in the Bible. Why? It's the most detailed yet condensed summary of God's divine administration for redemption that outlines the work of restoration of His godly people and holy land.

In this book, Rev. Abraham Park brings to life the Covenant of the Torch, and helps us to understand—accurately, and in chronological detail—692 years of redemptive history starting from Abraham, including the great exodus, the wilderness journey and the conquest of Canaan.

Just as his best-seller *The Genesis Genealogies* has helped readers to better understand the time frames and relationships in the *Book of Genesis*, Rev. Park now helps us to carefully study the books of Exodus up to Joshua, and to realize what those events and participants tell us regarding God's larger plan. This book offers:

- A detailed chronology of 692 years from Abraham to the Israelites' conquest of Canaan.
- The first ever map of all 42 camp sites in the wilderness.
- Color photos of the locations in the wilderness journey.
- A theologically sound method of viewing God's Word through the perspective of God's administration in the history of redemption.
- Wisdom to overcome the "spiritual wilderness."
