## **The Secret Rose Garden** Mahmud Shabistari

Shabistari's *Secret Rose Garden* (1317 A.D.) must be reckoned among the greatest mystical poetry of any time or land. Treating such themes as the Self and the One, The Spiritual Journey, Time and this Dream-World, and the ecstasy of Divine Inebriation, Shabistari's work is a perennial witness to the capabilities and destiny of humanity. Stressing the One Light that exists at the heart of all religious traditions, Shabistari's work is one of the clearest and most concise guides to the inner meaning of Sufism, and offers a stunningly direct exposition of Sufi mystical thought in poetic form: "I" and "you" are but the lattices, in the niches of a lamp, through which the One Light shines. "I" and "you" are the veil between heaven and earth; lift this veil and you will see no longer the bonds of sects and creeds. When "I" and "you" do not exist, what is mosque, what is synagogue? what is the Temple of Fire?
