A Pocket Guide to the Bible Kevin O'Donnell

A small, very-easy-to-use guide to the Bible. This attractively designed, concise text gives the reader an accessible way into the Bible. The book takes the reader step by step through the Bible, helping them to understand the key subjects and types of book it contains, and suggests passages of the Bible to begin reading. This is not a commentary or a handbook - it doesn't deal with weighty issues or debates over interpretation, historicity etc. Nor is it a zany guide for the young - rather, it is for those who want a simple, unfrighting approach to this important book, and who will feel more comfortable with the small format.
