A Tribe Returned is the incredible personal and professional story of Janet Cunningham and over 25 people who have memories of being together in a Native American Tribe. "You were selected by the Grandfathers to be the next Chief," Janet was told. Unknowingly she gathered the tribe together in this life. As a past-life therapist, she has assisted in releasing the traumatic stored memories of a devastating massacre. Art teacher and artist Orazio Salati began painting his memories on huge canvas before he knew that he was part of the tribe. "The images just came out of me," he told Janet.
