**First and Second Chronicles: Interpretation: A Bible Commentary for Teaching and Preaching** Steven S. Tuell

Steven Tuell shows how the books of Chronicles present the revelation of God's plan and purposes through the history of Israel, emphasizing the important role that King David plays within that story. Using up-to-date scholarship, Tuell focuses on the theological message of these books--that the purpose of life is to seek God, that those who find God's will and live accordingly will experience blessing, and that God's presence is found in the events of ordinary life.
