**Holy Cow: A Novel** David Duchovny

**A rollicking, globe-trotting adventure with a twist: a four-legged heroine you won't soon forget**

Elsie Bovary is a cow, and a pretty happy one at that—her long, lazy days are spent eating, napping, and chatting with her best friend, Mallory. One night, Elsie and Mallory sneak out of their pasture; but while Mallory is interested in flirting with the neighboring bulls, Elsie finds herself drawn to the farmhouse. Through the window, she sees the farmer's family gathered around a bright Box God—and what the Box God reveals about something called an "industrial meat farm" shakes Elsie's understanding of her world to its core.

There's only one solution: escape to a better, safer world. And so a motley crew is formed: Elsie; Jerry—excuse me, Shalom—a cranky, Torah-reading pig who's recently converted to Judaism; and Tom, a suave (in his own mind, at least) turkey who can't fly, but who *can* work an iPhone with his beak. Toting stolen passports and slapdash human disguises, they head for the airport.

Elsie is our wise-cracking, pop-culture-reference-dropping, slyly witty narrator; Tom—who does eventually learn to fly (sort of)—dispenses psychiatric advice in a fake German accent; and Shalom, rejected by his adopted people in Jerusalem, ends up unexpectedly uniting Israelis and Palestinians. David Duchovny's charismatic creatures point the way toward a mutual understanding and acceptance that the world desperately needs.
