**Karl Marx and Friedrich Engels (RLE Marxism): An Analytical Bibliography (Routledge Library Editions: Marxism)** Cecil L. Eubanks

The project to publish the works of Marx and Engels continues, and this book, published in 1984, puts together a comprehensive bibliography of their works either written in or translated into English, including books, monographs, articles, chapters and doctoral dissertations, together with the works of their interpreters. The inclusion of the secondary literature makes this a particularly valuable bibliography, and contributes greatly to the understanding of the thought of Marx and Engels.
