Tori (Glory Book 2) Dale Mayer

This is the second book in the new paranormal fantasy series Glory.

Hurt and betrayed, Tori has gone into hiding. Anything to give her time to heal from losing the love of her life.

Devon came looking for her—for all the wrong reasons. He needs her help to save a large band of locals caught behind a weird energy pattern.

As an energy worker, she can't turn her back on those in need. She will help him, but only if he disappears from her life forever.

He agrees, but has no intention of honoring his promise. She's finally let him back into her life—he has no intention of screwing up a second time.

Tori isn't big on forgiveness, but she is big on Devon. Only the weird energy pattern was a problem—a big problem—and the start of something sinister.

Before she can work out what's going on, the stakes go up, and she realizes there might not be a future for either of them.
