From the redwood forest to the Mexican border, the Pacific coastline to the Mojave Desert, California is the most populous state in the Union and the eighth-largest economy in the world. And what better way to honor America's most influential state than by devoting an entire Technicolor compendium to the cause? Inside this book, readers will discover obscure history, learn fascinating facts, and meet the unique people who make California so great. So grab your sunglasses, hold on to your gold-miner's hat, and plunge into the Golden State!
