Superman: A Celebration of 75 Years JERRY SIEGEL, GEOFF JOHNS, JOE SHUSTER

When Superman debuted seventy-five years ago, it was not merely the beginning for one character, but for an entire genre. The phrase "super hero" had yet to be coined when ACTION COMICS #1 hit newsstands in 1938, but once Superman entered the scene, effortlessly lifting a car above his head on that first iconic cover, the character paved the way for each of the hundreds (if not thousands) of super-powered heroes written since.

SUPERMAN: A CELEBRATION OF 75 YEARS gathers a range of stories featuring the first and greatest super hero, highlighting the many roles the Man of Steel has played over the decades. In these celebrated stories, Superman is in turns the Herculean champion, the lonely alien survivor, the super-powered Boy Scout and the soul-searching leader. Over the course of seventy-five years, watch as the character grows from a simple strongman to the beloved international symbol he is today!

This Volume Collects:
