The Sexual Paraphilias : Therapy by Hick-Farmer Sigmund Freud Wannabes David J. Todeschini
The Sexual Paraphilias - Therapy by Hick-Farmer Sigmund Freud Wannabes is a concise introduction to human sexual aberrations. All of the major sexual deviations are listed, with their clinical names and descriptions. The author rails the psychiatry profession for their incompetent efforts to "cure" anomalous sexual behavior, particularly the behaviors which are criminal acts, such as rape and pedophilia. The author includes a most excellent analysis of domestic violence entitled "The Battered Spouse and The Abused Child", based on the movie "Once Warriors". Also included is "There is a Way Out", a treatise targeted to victims of domestic violence, and an essay titled "Restorative Justice" that addresses the problem of criminal rehabilitation and prison reform. Extensively footnoted, and seriously humorous in places, this book sheds a whole new light on what America and the world engages in behind closed doors.
