Become a full partner in the worship of God using these guides, which illuminate the theology, history, and practical concerns of each part of the liturgy.

These two new guides are designed to help newcomers, confirmation classes, and lay members understand and appreciate the Episcopal liturgy. They invite the person in the pew to participate in the service, not merely as a spectator, but as a full partner in the worship of God in community.

Developed specifically to address the needs of inquirers and others not familiar with the book of Common Prayer, each volume provides an easily accessible introduction to the liturgy. They provide running commentary on the major services of the Prayer Book on pages facing the text along with glossaries and lists of books for further reading.

"The only way you can really get to know God is through prayer, and the Prayer Book sets out a pattern that has been used by saints and sinners for centuries. No other book will give you as much help in building your faith as the Book of Common Prayer, and (these volumes) will get you started on understanding that book." - Christopher L. Webber

Christopher L. Webber is an Episcopal priest who has served inner city, suburban, and overseas parishes. He is the author of *Welcome to the Episcopal Church*, *The Vestry Handbook* (Rev. ed.), *The Art of the Homily*, and *Planning Your Marriage Service*, all available from Morehouse Publishing.
