## **Off Main Street: Barnstormers, Prophets & Gatemouth's Gator** Michael Perry

Whether he's fighting fires, passing a kidney stone, hammering down I-80 in an 18-wheeler, or meditating on the relationship between cowboys and God, Michael Perry draws on his rural roots and footloose past to write from a perspective that merges the local with the global.

Ranging across subjects as diverse as lot lizards, Klan wizards, and small-town funerals, Perry's writing in this wise and witty collection of essays balances earthiness with poetry, kinetics with contemplation, and is regularly salted with his unique brand of humor.
