The Doctrine of Endless Punishment

William G. T. Shedd

The Doctrine of Endless Punishment William G. T. Shedd

"The Doctrine of Endless Punishment is a well-reasoned, theologically accurate statement which treats fully yet concisely the date contained in the revelation of God to man. This treatise deseves careful study; and provides adequate coverage of a much neglected aspect of Biblical doctrine." - Cyril J. Barber Shedd shows that "The strongest support of the doctrine of endless punishment is the teaching of Christ, the Redeemer of man; without the explicit and reiterated statements of God incarnate, it is doubtful whether so awful a truth would have had such a conspicuous place as it always has had in the creed of Christendom. Christ could not have warned men so frequently and earnestly as he did, had he known there is no future peril.' This book will have a profoundly sobering effect on its readers; but its lasting impression will be to cause a new concern for men and women without Christ, and undying gratitude for 'Jesus, who delivers us from the wrath to come'.
