Sophia: former black operative, current enemy of the state.

Moments before a catastrophic hurricane hits New York City, a terrorist attack vaporizes a museum and a large chunk of the Upper West Side. Almost caught in the explosion, Sophia gives chase to a suspicious figure running from the blast zone.

Amid the chaos, Sophia recovers a rare meteorite from a black operative and is quickly ensnared in a hunt between clashing factions of a labyrinthine covert government known as the Fifth Column.

The meteorite contains traces of the ancient Phoenix virus. The effects of the virus are unknown to Sophia, but she soon discovers it is more powerful than she dared imagine - and that the Fifth Column will stop at nothing to get it.

Unarmed and outnumbered, Sophia and her allies hurtle towards a confrontation that will determine not only their fate but that of all humanity.

As a university student exactly feel bored for you to reading. If their teacher expected them to go to the library or to make summary for some guide, they are complained. Just minor students that has reading's heart or real their passion. They just do what the instructor want, like asked to the library. They go to there but nothing reading really. Any students feel that reading is not important, boring and can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this The Phoenix Variant: The Fifth Column 3 can make you experience more interested to read.
