The Pinon Pine: A Natural And Cultural History Ronald M. Lanner

An engaging look at the history of the piñon pine and its ecosystem. Combining natural history and observations of the cultural importance of the tree to both native Indians and European settlers, Lanner provides information on the management of the tree and its interdependence with the birds and animals of the piñon-juniper woodland. Science, cultural history, and ecological issues, plus delicious recipes using the piñon pine nuts, make for a concise natural and cultural history of the piñon pine.
