**Words From the Fire: Hearing the Voice of God in the 10 Commandments** R. Albert Mohler Jr.

If God has spoken, then the highest human aspiration must be to hear what the Creator has said. God has indeed spoken, through the Ten Commandments, and Al Mohler explores this revelation of God and the implications for His people. The promise is to hear, to obey, and to live. These "Ten Words" tell us who God is and what His people should look like.

Mohler is a respected voice on the state of our culture (and the church) today. The Ten Commandments speak to current issues today such as the exclusivity of the Christian God, the essence of worship, capital punishment, just war, business ethics and the postmodern definition of truth.
