Introductory Algebra Mervin L. Keedy, Marvin L. Bittinger

The Lial/Miller developmental mathematics paperback series has helped thousands of students succeed in math. In keeping with its proven track record, this revision includes an enhanced art program, many new exercises, and three new features: Interpreting Technology, Numbers in the Real World, and Mathematical Connections. In addition, its comprehensive support package of materials and supplements has been fully revised and updated to support both students and instructors, including a "Real to Reel" video series and World Wide Web site (www.mathnotes.com), both new to this edition.
