Materia Oscura (Italian Edition) Enzo Cristofori

Materia Oscura è lo Spin Off del romanzo Soul Exile di Enzo Cristofori.

E se la morte si presentasse con una falce in mano e l'aspetto di un ragazzo bello e dannato?

Amos è il cantante di una rock band emergente, i Dark Matter, ma è anche un Mietitore, reclutato molti anni prima per un solo scopo: condurre le anime delle persone nel luogo sconosciuto chiamato "Oltre". Questo avviene tramite la Red Death, un'arma celeste a forma di falce camuffata da chitarra. Ogni mietitore ne ha una e la cela nell'oggetto che più lo rappresenta.

Amos ha sempre portato a termine ogni incarico, finché non scopre di essere egli stesso la causa della morte della sua prossima anima: Melissa, giovanissima studentessa universitaria che, sorprendentemente, riesce a vederlo sotto forma di mietitore e per questo rischia di essere investita. Lui la risparmia, non riuscendo a sostenere il peso di quella colpa, condannando entrambi a fuggire da mietitori superiori, che bramano a ogni costo la vita della ragazza e la sua anima per esiliarla in un posto da cui non potrà fare mai ritorno, un luogo di oblio eterno...

Dopo anni di asservimento e fiducia verso il suo ordine, una serie di interrogativi iniziano a prendere forma tra i pensieri di Amos, che ora ha tutta l'intenzione di scoprire cosa celino i piani alti della sua casta e il perché Melissa sembri essere al centro di questi eventi.

Una storia avvincente e originale che ci farà conoscere il lato oscuro della vita e la venalità della morte.
