Mein Kampf (Mi Lucha): Para no olvidar (Spanish Edition) Adolf Hitler

Mi lucha (en alemán: Mein Kampf) es un libro escrito por Adolf Hitler, combinando elementos autobiográficos con una exposición de ideas propias de la ideología política del nacionalsocialismo. La primera edición fue lanzada el 18 de julio de 1925.

El libro perfila las ideas principales que el régimen alemán llevaría a término durante su gobierno.

Especialmente prominente es el amor al pueblo alemán de Hitler, aceptando entre otras teorías Los protocolos de los sabios de Sion. Por ejemplo, denunciaba que el esperanto era parte de un complot judío, y argumenta sobre la vieja idea nacionalista alemana de Drang nach Osten: ('Incentiva hacia el Este') la necesidad de ganar Lebensraum ('espacio vital') hacia el Este, especialmente en Rusia.

Hitler empleaba las tesis principales del «peligro judío», que hablaba de una conspiración judía para ganar el liderazgo mundial. Aun así explica muchos detalles de la niñez de Hitler del proceso por el que se volvió cada vez más antisemita y militarista, especialmente durante sus años en Viena. En el segundo capítulo, escribe sobre cómo veía a los judíos en las calles de la ciudad, y entonces se pregunta: «¿Eran aquellos alemanes?».
