Rudolf Steiner

Rudolf Steiner speaks to the British: Lectures and Addresses in England and Wales Rudolf Steiner

As demonstrated by the contents of this book, Rudolf Steiner was able to speak to the British in a very direct and lively way. He did not need to give a long introductory build-up to his main theme, as was expected of him in Germany for instance, but could refer immediately to esoteric ideas. The intention of this volume is to give a fuller picture of Rudolf Steiner's work in Britain, and his approach to esoteric ideas while on British soil. Although the major lecture series he gave in Britain have been previously published, this book gathers together various lectures, addresses, question-and-answer sessions, minutes of important meetings and articles - a good deal of which has been unavailable in English until now. It also features a complete list of all the lectures and addresses Steiner gave in Britain, making it a valuable reference book for students of Rudolf Steiner's work.
