Written for anyone longing for a more generative and loving God, this book offers a new paradigm through which faith can be understood. This boundary-breaking God engages life at every corner-social, economical, political, intellectual, ecological. Offers a refreshing view of God that is creative and expansive.

- Written by the popular pastor of Journey Community Church in Dallas, this fresh vision of who God can be is enlivened by winsome personal stories and anecdotes.
- Seeing God's story as a story of boundary breaking opens our imaginations and compels Christians to live as people of hopeful purpose who attempt to change the world for the better.
- Opens up the Christian "good news" for those who are tired of the same old, same old
