Wittgenstein and Plato: Connections, Comparisons and Contrasts

Wittgenstein and Plato: Connections, Comparisons and Contrasts

This is the first volume dedicated to a direct exploration of Wittgenstein and Plato. It is a compilation of essays by thirteen authors of diverse geographical provenance, orientation and philosophical interest.

The volume offers the most complete and detailed view to date on Wittgenstein and Plato, without being tied to any unilateral guidelines from either a critical or philosophical perspective. The authors are scholars of Wittgenstein, but also of Plato and Greek philosophy. The book is a sort of game of mirrors: Plato in the mirror of Wittgenstein, and Wittgenstein in the mirror of Plato. All essays always seek to combine philosophical interest and philological attention, although, in some essays one interest prevails over the other.

Despite the preponderance of scholars of Wittgenstein, the volume seeks to be not only a book on Wittgenstein and Plato, but also, simultaneously, on Plato and Wittgenstein.
