Camaro Exposed: 1967-1969 - Designs, Decisions and the Inside View Paul Zazarine

This is the story of the formative and most collectible years of that classic pony car, the Chevrolet Camaro. Zazarine documents the rise of the Camaro from the first glimmer in Chevrolet's eye to the mighty COPO 427 Camaro. This fresh look at the Camaro includes first-hand reminiscences of GM engineers and previously unpublished photos documenting the car's development. For the first time, see the proposed Camaro station wagon, Camaro Fastback, and other designs that GM seriously considered as it waged a sales war with Ford's highly successful Mustang.
