Hep-Cats, Narcs, and Pipe Dreams: A History of America's Romance with Illegal Drugs Dr. Jill Jonnes

"Fascinating, well researched and finely honed... This is a must read." -- Judge Peggy F. Hora, California Bench
Once upon a time in America, morphine and cocaine were routinely sold in pharmacies, and "hop heads" gathered in shadowy basements to smoke opium. So begins *Hep-Cats, Narcs, and Pipe Dreams*, Jill Jonnes's ground-breaking history of illegal drugs in America. Jonnes vividly traces our first turn-of-the-century drug epidemic, successfully quelled, and then follows the story into the postwar era: starting in the jazz world of the northern cities and moving through the "flower power" 1960s to the cocaine and crack explosion of the 1980s and 1990s.
