## **La señorita Julia (Spanish Edition)** August Strindberg

En la obra *La señorita Julia*, August Strindberg recrea hábilmente la lucha de clases, el poder y las tensiones en el seno de las clases altas frente a los intentos de renovación de las clases populares que, aún con sus contradicciones, abandonan sus viejos papeles de sumisión. Todo acontece en la cocina de una mansión aristocrática, en donde la señorita Julia, hija del dueño, intima intencionalmente con un criado de nombre Juan. La señorita padece un desequilibrio mental, producto de su formación de infancia y el criado aprovecha esto para utilizarla y expresar toda la rabia de su condición social. Esta manipulación aboca la trama de manera inexorable hacia la tragedia, aunque antes se desplegarán sobre el escenario todos los componentes que la han provocado: el pasado, las diferencias, la pasión y la personalidad de los protagonistas. Interviene aquí un tercer personaje, se trata de Cristina, la cocinera y aparentemente prometida de Juan, quien cumple una función modesta pero no por ello menos importante en el planteamiento y el desenlace de la acción de esta increíble historia.
