>The Millionaire and the Mechanic

Never in a hundred years does Sabrina Martinez expect to volunteer at the Downtown Denver Mission with someone like handsome businessman Jack Thorne--let alone become friends with him. She's grown up in a broken home and is even more surprised to discover an heir to a fortune is interested in a girl like her. But Sabrina can't let anything distract her--not even love. She's battling for custody of her nieces and there's nothing more important than that. Jack wants to help, but the divide between him and Sabrina seems impossibly wide. Can they learn to see past their differences, and give themselves a chance at true love--and a real family?
