A Promise Given Stormy Glenn

Detective Cooper Thomas was kidnapped and tortured by a psychotic serial killer bent on revenge. If that wasn't bad enough, Alec Whitley, the only man Cooper ever really loved, the man that left him ten years ago without a word, came back just in time to rescue him. Cooper never thought he'd see Alec again, let alone owe the man his life, so while Cooper might still have feelings for Alec, he's not sure he wants to open himself up to that kind of hurt. Now, six months later, Alec wants to discuss their past and plan their future. But before Cooper can come to terms with Alec being back in his life he has to discover who's killing young gay men before he and Alec become the next victims. Between undercover assignments and startling revelations, Cooper and Alec don't know if their fragile relationship can survive. Can they solve the case and find a way to be together? A Promise Given is the sequel to the popular novel A Promise Kept.
