Chuck's Dinosaur Tingle: Volume 1 Dr. Chuck Tingle

Chuck Tingle is a world-renowned master of the 'tingler'; a story so sensual, so erotic, and so powerfully gay that it will change the whole way you look at erotic romance literature. Collected here are three such tales of the dinosaur variety. Are you ready to depart on a depraved journey of gay lust that will tingle you to your very core? If so, than this explicit collection is for you. **MY BILLIONAIRE TRICERATOPS CRAVES GAY ASS** Jeremy was never quite sure about his feelings for Oliver, his gay pet dinosaur, until Oliver scores big and leaves home to pursue his dreams of being a dancer. Years later, the two of them reconnect for dinner in New York City, and realize that there may have been more to their relationship besides prehistoric pet and master. Now a wealthy socialite, Oliver the triceratops is willing to take another chance on Jeremy, and soon the two find themselves locked in a passionate evening of gay human-dino love. **GAY T-REX LAW FIRM: EXECUTIVE BONER** When Donny lands a job at Jurassic Law, the world's leading T-rex law firm, he's absolutely thrilled. Unfortunately, after just one day it quickly becomes clear that Donny's new position entails more than just legal work. Soon Donny makes the deal of a lifetime and finds himself contractually bound into a gay T-rex gangbang that gives new meaning to the term, "dinosaur bones." **SPACE RAPTOR BUTT INVASION** Space can be a lonely place, especially when you're stationed by yourself on the distant planet Zorbus. In fact, Lance isn't quite sure that can last the whole year before his shuttle pod arrives, but when a mysterious visitor appears at Lance's terraforming station, he quickly realizes that he might not be so alone after all. Soon enough, Lance becomes close with this mysterious new astronaut, a velociraptor. Together, they form an unlikely duo, which quickly begins to cross the boundaries of friendship into something much, much more sensual. It's not gay if it's a man and a dinosaur, is it?
