**Good Morning, Mr Sarra: My Life Working for a Stronger, Smarter Future for Our Children** Chris Sarra

The remarkable true story of one man's fight to turn the tide of low expectations, this account follows educator Chris Sarra from his humble beginnings in a large Italian-Aboriginal family to his triumphant achievements, including becoming Queensland's Australian of the Year, the subject of ABC's *Australian Story*, and one of the most outspoken and recognized educators in Australia. Attempting to better Indigenous education, Sarra transformed the Cherbourg State School into a national success story, but not without controversy along the way—Sarra battled the media, the education system, and a culture of complacency. This inspiring autobiography shows why Indigenous children no longer hope for a better education; they can expect it.
