## Office-Based Surgery in Otolaryngology

Otolaryngologists are working harder than ever to reduce costs, increase efficiency, and lessen their reliance on hospital-based surgery. This book - with contributions from more than 60 leading experts - is the guide they need to keep up with this important trend.

A comprehensive, one-source reference, the guide begins with detailed information on office set-up and management, reimbursement, credentialing, and legal issues. It then provides step-by-step, fully illustrated coverage of more than 50 different office-based procedures.

Highlights include:

- Complete how-to instruction in the most important new procedures in otology, laryngology, rhinology, oral surgery, and head and neck surgery
- Detailed coverage of endoscopic and laser-based techniques
- Special section on office procedures in cosmetic and facial plastic surgery, including otoplasty, rhinoplasty, face lift, and hair transplantation
- Practical information on managing the office and handling credentialing, insurance, and reimbursement
