PMBOK® Guide Edition Five 200-Question Sample PMP Exam® John Tracy

This book has been updated and improved in January 2015 to make it even more indicative of the PMP Exam® experience, based on reader and student feedback. It is a low-cost alternative 200 question practice PMP Exam® for those studying for the latest (Summer 2013) version of that exam, as it has changed to accommodate the 5th edition of the PMBOK® Guide. The author's opinions regarding what makes a good exam question, and of the trends in the PMBOK® Guide as it has matured through five editions, are captured in the questions inside. The exam is tightly aligned with the PMP Exam®'s specification in its construction. The answer section shows a process group, knowledge area and specific PMBOK® Guide reference point to make the process of learning and re-learning easier. The book is capped off with a one page summary view of the answers and their associated process group and knowledge area references. For those studying for the CAPM® Exam, please consider my sample exam book addressing that exam.
