Psalms (Understanding the Bible Commentary Series)

Craig C. Broyles

Psalms (Understanding the Bible Commentary Series) Craig C. Broyles

Craig Broyles examines the Psalms as a diverse collection of poems whose main roots are in Jerusalem's worship services. Both in the past and in the present, they provide dynamic liturgies through which the worshipper encounters God--often with vigorous dialogue--and finds meaning for life. Broyles makes the best of contemporary scholarship on the Psalms accessible to both general readers and serious students.
