Vida: Manual do proprietário (Portuguese Edition) Vinícius Guarnieri

"Vida - Manual do proprietário: Como guiar a sua existência de forma próspera e receber do universo o retorno favorável ao seu desenvolvimento e a conquista da sua felicidade" é uma analogia entre o automóvel e o nosso ser espiritual, considerando a máquina humana como o veículo do qual ele se utiliza para a viagem momentânea, que é a vida.

Por meio de uma profunda reflexão, a obra faz os leitores repensarem crenças e valores, e mostra que, assim como o bem material necessita de cuidados e reparos, a pessoa também precisa prestar atenção aos sinais que o corpo e a mente emitem, para viver de forma plena e realizada.
