Your early months in any leadership position are critical, having a major effect on the results you get later. This time can make or break your reputation; but creating a major positive impact in the initial 90 days will help cement your position as a strong leader.

Entering a leadership position is a transition, and any major transition can take some getting used to. But when you're in leadership, first impressions are crucial. And if you begin by showing weak, shaky leadership, people may lose confidence in your ability to lead. To succeed you need to enter strong, and in *The First 90 Days*, Michael Watkins will show you how to do just that. You'll learn how to get into the mindset of a leader, gaining the tools you need to make a major impact within the critical first 90 days of your position.

You will learn:

- How to recognize and overcome your biggest weaknesses
- How to influence people-even those who don't report to you
- How to quickly create a strategy for any situation.
