Filosofia - O paradoxo de aprender e ensinar (Portuguese Edition) Walter Kohan

O pensar filosófico é o principal eixo norteador desta publicação. Aqui, Walter Omar Kohan convida o educador a refletir sobre a relação entre quem aprende e quem ensina, de forma a contemplar o pensamento socrático sobre vários ângulos, a partir do olhar contemporâneo de nomes como Michel Foucault, Jacques Rancière e Jacques Derrida. De acordo com o autor, existem, na relação entre ensinante e aprendiz de filosofia, tensões que não podem ser evitadas, seja de âmbito político, ético, epistemológico ou estético.

Voltado para educadores, pesquisadores, estudiosos e interessados em geral, este livro trata da filosofia e sua relação com o saber, vislumbrando um espaço em que se possa aprender e ensinar com a maior intensidade e liberdade possível.
