Rap e política: Percepções da vida social brasileira (Portuguese Edition) Roberto Camargos

Rap e política traz as vivências sociais, culturais e políticas de quem faz e experimenta o rap em seu cotidiano.

Neste seu livro de estréia, Roberto Camargos se debruça sobre mais de 10 mil composições de temas variados, produzidas no país desde a década de 1990 até os dias de hoje, para introduzir o leitor a esse universo em expansão de intenso diálogo da música com a vida social, uma espécie de "raio-x do Brasil". Camargos mostra o rap nacional - dos Racionais MC's aos rappers maranhenses, goianos, baianos e de outros rincões brasileiros - como um fenômeno que supera a música feita para e pela indústria cultural, para se tornar uma forma ativa de engajamento social e resistência. As composições têm em comum a sua origem: experiências históricas e sociais de uma comunidade musical ainda hoje marginalizada.
