Called to a gruesome crime scene, Inspector Javier Falcón is shocked and sickened by what he finds. Littered like flower petals on the victim's shirt are the man's own eyelids, evidence of a heinous crime with no obvious motive. When the investigation leads him to read his late father's journals, he discovers a disturbing and sordid past. Meanwhile, more victims are falling. While Falcón struggles to solve the case, he finds the missing section of his father's journal-and becomes the murderer's next intended victim.

Combining suspenseful storytelling with a thoughtful exploration of the human psyche, The Blind Man of Seville confirms bestselling and award-winning author Robert Wilson as one of the greatest literary mystery writers working today.
