## **The Hellenistic Age** Peter Thonemann

The three centuries which followed the conquests of Alexander are perhaps the most thrilling of all periods of ancient history. This was an age of cultural globalization: in the third century BC, a single language carried you from the Rhône to the Indus. A Celt from the lower Danube could serve in the mercenary army of a Macedonian king ruling in Egypt, and a Greek philosopher from Cyprus could compare the religions of the Brahmins and the Jews on the basis of first-hand knowledge of both. Kings from Sicily to Tajikistan struggled to meet the challenges of ruling multi-ethnic states, and Greek city-states came together under the earliest federal governments known to history. The scientists of Ptolemaic Alexandria measured the circumference of the earth, while pioneering Greek argonauts explored the Indian Ocean and the Atlantic coast of Africa.

Drawing on inscriptions, papyri, coinage, poetry, art, and archaeology Peter Thonemann opens up the history and culture of the vast Hellenistic world, from the death of Alexander the Great (323 BC) to the Roman conquest of the Ptolemaic kingdom (30 BC).

It should be here for anyone. So , don't miss the idea! Just read this e-book kind for your better life in addition to knowledge.

#### **Clyde Okane:**

As a university student exactly feel bored for you to reading. If their teacher requested them to go to the library or make summary for some book, they are complained. Just little students that has reading's spirit or real their pastime. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that studying is not important, boring as well as can't see colorful pics on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this The Hellenistic Age can make you sense more interested to read.
