The Museum Susan Verde

When I see a work of art, something happens in my heart!

As a little girl tours and twirls through the halls of the art museum, she finds herself on an exciting adventure. Each piece of art evokes something new inside of her: silliness, curiosity, joy, and ultimately inspiration. When confronted with an empty white canvas, she is energized to create and express herself—which is the greatest feeling of all.

With exuberant illustrations by Peter H. Reynolds, *The Museum* playfully captures the many emotions experienced through the power of art, and each child's unique creative process.

Praise for *The Museum*

"Verde and Reynolds deliver a simple premise with a charming payoff... this "twirly-whirly" homage to a museum is, on balance, a sweet-natured and handsome celebration."

—*Kirkus Reviews*

"Debut author Verde makes an engaging case for understanding art as an experience rather than an object."

—*Publishers Weekly*

"The rhymed text captures the excitement of a being sparked by art."

—*Booklist*

"Communicates a fresh, playful, childlike perspective on art and normalizes childlike responses to it. The idea that posing, laughing, and curious questions are all appropriate museum behavior may be a new one for both children and parents, and knowing this is sure to make for more enjoyable museum visits."

—*School Library Journal*

"For parents who have trouble communicating the excitement of art to their children, *The Museum* can serve as the starting point for a conversation. The book is also a wonderful reminder of visual art's power to encourage and empower self-expression. Children and adults will finish this book excited about their next art experience, and perhaps tempted to dance through the halls of a museum in the near future."

—*Bookpage*

"This playful picture book pays tribute to the joyous effect art can have on the viewer."

—*Shelf-Awareness*

From reader reviews:

Phyllis Branson:

Why don't make it to be your habit? Right now, try to ready your time to do the important act, like looking for your favorite guide and reading a book. Beside you can solve your short lived problem; you can add your knowledge by the publication entitled The Museum. Try to the actual book The Museum as your pal. It means that it can to be your friend when you sense alone and beside those of course make you smarter than ever before. Yeah, it is very fortunated to suit your needs. The book makes you more confidence because you can know every thing by the book. So , let me make new experience and also knowledge with this book.

Chris Hernandez:

Book is definitely written, printed, or descriptive for everything. You can learn everything you want by a reserve. Book has a different type. To be sure that book is important thing to bring us around the world. Adjacent to that you can your reading skill was fluently. A reserve The Museum will make you to become smarter. You can feel more confidence if you can know about every thing. But some of you think that will open or reading a new book make you bored. It is not necessarily make you fun. Why they are often thought like that? Have you in search of best book or acceptable book with you?

Elmer August:

People live in this new day time of lifestyle always make an effort to and must have the extra time or they will get lot of stress from both way of life and work. So , whenever we ask do people have time, we will say absolutely sure. People is human not a robot. Then we question again, what kind of activity do you possess when the spare time coming to a person of course your answer will certainly unlimited right. Then do you try this one, reading textbooks. It can be your alternative inside spending your spare time, the particular book you have read is usually The Museum.

Everette Murray:

What is your hobby? Have you heard that question when you got learners? We believe that that query was given by teacher to the students. Many kinds of hobby, Every person has different hobby. And you know that little person just like reading or as studying become their hobby. You must know that reading is very important and book as to be the point. Book is important thing to increase you knowledge, except your teacher or lecturer. You find good news or update concerning something by book. Many kinds of books that can you decide to try be your object. One of them is actually The Museum.
