Three the Hard Way Sydney Croft

Lovers Taggart Brody and Justice McKinney possess special abilities that make them valuable to agencies who employ—or enslave—people with extraordinary talents. When tragedy tears them apart, Justice finds purpose working for the good guys: ACRO, the super-secret Agency for Covert Rare Operatives. But he never forgets Taggart or the past they once shared.

Heartbroken, Taggart runs from who he is . . . right into the arms of Ian Bridges. But Ian, battling his own demons, betrays Tag to the terrorist organization Itor. After months of torture, Tag manages to escape, but kills an ACRO agent in the process.

With nowhere left to turn, Tag disappears into the Alaskan wilderness, but it's only a matter of time before his enemies track him down. He reaches out to Justice, and somehow Ian finds him too, hoping to right his wrongs. With ACRO and Itor both bearing down, the three men must figure out how to forgive, how to work together, and how to love each other—or the coming battle will destroy them all.
