Eager to ease the financial burdens of her family, Cassandra Stover is thrilled when she is hired to be a companion to Mrs. Jameston, a wealthy society woman. Cassie finds herself living a life she'd never imagined-and growing close to the elderly woman who treats her like a daughter.

Her new position is tarnished only by Mrs. Jameston's son. As Sebastian's resentment and cruelty toward his mother mount, Cassie begins to harbor concerns for her employer's safety--and ultimately her own. When Sebastian is suspected of fraud, insurance investigator Mark Langford solicits Cassie's help to uncover the truth. But what begins as a game of pretense is quickly complicated by matters of the heart.
