A Leader's Guide to Implementing Integrated Services for People with Co-occurring Disorders serves as the overall program guide for the Co-occurring Disorders Program. It provides the information and instruments necessary to Assess the seven key areas of organizational effectiveness as outlined by the Dual Diagnosis Capability in Addiction Treatment (DDCAT) Index, including Program structure and milieu, assessment, treatment approaches, continuity of care, staffing, and training. The accompanying CD-ROM includes client-relevant research on co-occurring disorders, DDCAT resources and implementation plan, a sample charter agreement, and assessment tools.
