**Sex Outside the Lines: Authentic Sexuality in a Sexually Dysfunctional Culture** Chris Donaghue

**It's socially acceptable to spend a day watching sports or sitcoms, but it's shameful and embarrassing to admit to the same about erotic media. Why is it that sex is so often deemed "inappropriate" and considered something we must keep private or even ignore?**

Our culture is afraid of sex. We feel the need to label what is normal and what isn't, and as a result, we live in a relational and sexually unhealthy culture. In reality, far more harm is caused by labeling sexual expression as "obscene" than by celebrating it.

In *Sex Outside the Lines: Authentic Sexuality in a Sexually Dysfunctional Culture*, Chris Donaghue, PhD, explores and challenges the negative ideals that have warped society's view of sex. *Sex Outside the Lines* is not a dogmatic rule book, but a valuable guide to help you on your journey to sexual self-discovery and, most important, self-acceptance. Donaghue encourages you to not only explore your capacity for pleasure, but to be proud of it and to take a look at how you could be living.

In his years of training in sex and couples therapy, Donaghue has developed highly successful methods for freeing clients from sexual hang-ups, enabling them to let go of shame and embarrassment. The goal isn't to be "normal"—there is no such thing. Donaghue pulls apart cultural phobias with a sex-positive therapy practice, as well as a kind of sexual deprogramming that helps people see and accept that the desires they have—even if they don't align with society's expectations—are actually natural, healthy, and part of having a great sex life.

*Sex Outside the Lines* addresses our diversity, challenges conventional psychiatric wisdom as classifying perfectly normal behavior as disorders, and disregards conventional advice from leading experts. It isn't advocating a "liberal" approach to modern concepts—it is seeking to redefine them altogether.
