Star Trek: The Original Series: Vulcan's Soul #1: Exodus Josepha Sherman, Susan Shwartz

Following their bestsellers *Vulcan's Forge* and *Vulcan's Heart*, Josepha Sherman and Susan Shwartz embark on a new trilogy chronicling the latter-day adventures of one of *Star Trek's* most beloved characters, shedding new light on his world's shocking history.

One year after the end of the Dominion War, the Romulan Star Empire comes under attack by a mysterious and alarmingly powerful enemy calling itself the Watraii, a species with a long-standing vendetta against the Romulans. Yet though they remain tenuously allied, the Federation, the Romulans, and the Klingons are unready to become embroiled in another sustained conflict, forcing Ambassador Spock, Admiral Uhura, Admiral Chekov, Captain Saavik, and some unexpected allies to defy their governments in order to meet the new threat head-on. But the first blood drawn may prove to be among the dearest of all.

Unknown to the defenders, the secret behind the Watraii's attack is buried in Vulcan's violent ancient past, during the time of Surak himself, when the proto-Romulans -- staunch opponents of Surak's reforms -- were compelled to take their chances among the cold and distant stars. Now Spock must begin the first leg of a long and dangerous road to learn the truth...before his hopes for the future become ashes.

From reader reviews:

Richard Smith:

Book is usually written, printed, or descriptive for everything. You can understand everything you want by a e-book. Book has a different type. As we know that book is important issue to bring us around the world. Next to that you can your reading talent was fluently. A guide Star Trek: The Original Series: Vulcan's Soul #1: Exodus will make you to become smarter. You can feel much more confidence if you can know about everything. But some of you think in which open or reading a book make you bored. It is not make you fun. Why they could be thought like that? Have you in search of best book or suitable book with you?

Eddie Nelson:

The reason why? Because this Star Trek: The Original Series: Vulcan's Soul #1: Exodus is an unordinary book that the inside of the publication waiting for you to snap the item but latter it will surprise you with the secret that inside. Reading this book adjacent to it was fantastic author who also write the book in such awesome way makes the content inside of easier to understand, entertaining way but still convey the meaning totally. So , it is good for you because of not hesitating having this any longer or you going to regret it. This unique book will give you a lot of positive aspects than the other book have got such as help improving your talent and your critical thinking approach. So , still want to hold off having that book? If I were you I will go to the reserve store hurriedly.

Cathrine Hart:

In this particular era which is the greater man or who has ability to do something more are more valuable than other. Do you want to become considered one of it? It is just simple solution to have that. What you have to do is just spending your time not much but quite enough to possess a look at some books. One of the books in the top collection in your reading list is usually Star Trek: The Original Series: Vulcan's Soul #1: Exodus. This book that is qualified as The Hungry Slopes can get you closer in getting precious person. By looking upwards and review this reserve you can get many advantages.

Philip Cooper:

As a student exactly feel bored to be able to reading. If their teacher asked them to go to the library as well as to make summary for some reserve, they are complained. Just tiny students that has reading's spirit or real their passion. They just do what the instructor want, like asked to the library. They go to there but nothing reading seriously. Any students feel that reading is not important, boring as well as can't see colorful images on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this Star Trek: The Original Series: Vulcan's Soul #1: Exodus can make you really feel more interested to read.
