A Short and Happy Guide to the First Amendment (Short and Happy Series)

Robert Power, Mark Alexander

A Short and Happy Guide to the First Amendment (Short and Happy Series) Robert Power, Mark Alexander

This concise guide breaks down a complicated topic—the First Amendment—and makes it understandable and fun. The book walks briskly through cases, rules, and theories to draw a reader-friendly road map of the First Amendment. Two law school deans and First Amendment enthusiasts, Bob Power and Mark Alexander, synthesize principles with memorable examples and a sharp wit. Their analysis reveals the common sense behind much First Amendment law, and at the same time identifies some of its flaws and inconsistencies. The book addresses the deep historic roots as well as current problems such as campaign finance, hate speech, and electronic communications. It is equally useful as a general guide as it is for preparing for class and for exams (including the bar!).

From reader reviews:

Christi Ross:

What do you concentrate on book? It is just for students since they're still students or it for all people in the world, the actual best subject for that? Just you can be answered for that query above. Every person has distinct personality and hobby for each other. Don't to be pushed someone or something that they don't desire do that. You must know how great as well as important the book A Short and Happy Guide to the First Amendment (Short and Happy Series). All type of book are you able to see on many methods. You can look for the internet sources or other social media.

Helen Green:

Spent a free time to be fun activity to do! A lot of people spent their free time with their family, or their own friends. Usually they doing activity like watching television, gonna beach, or picnic within the park. They actually doing same thing every week. Do you feel it? Do you want to something different to fill your personal free time/ holiday? Might be reading a book may be option to fill your free time/ holiday. The first thing that you will ask may be what kinds of reserve that you should read. If you want to try look for book, may be the book untitled A Short and Happy Guide to the First Amendment (Short and Happy Series) can be great book to read. May be it can be best activity to you.

Yolanda Matlock:

Your reading 6th sense will not betray anyone, why because this A Short and Happy Guide to the First Amendment (Short and Happy Series) book written by well-known writer whose to say well how to make book that may be understand by anyone who else read the book. Written in good manner for you, dripping every ideas and creating skill only for eliminate your current hunger then you still question A Short and Happy Guide to the First Amendment (Short and Happy Series) as good book not merely by the cover but also from the content. This is one book that can break don't evaluate book by its handle, so do you still needing a different sixth sense to pick this particular!?! Oh come on your studying sixth sense already told you so why you have to listening to yet another sixth sense.

Wm Mills:

This A Short and Happy Guide to the First Amendment (Short and Happy Series) is great guide for you because the content and that is full of information for you who have always deal with world and also have to make decision every minute. This particular book reveal it details accurately using great plan word or we can declare no rambling sentences in it. So if you are read that hurriedly you can have whole info in it. Doesn't mean it only provides straight forward sentences but tough core information with attractive delivering sentences. Having A Short and Happy Guide to the First Amendment (Short and Happy Series) in your hand like finding the world in your arm, data in it is not ridiculous one. We can say that no book that offer you world in ten or fifteen minute right but this guide already do that. So , this is certainly good reading book.

Hey there Mr. and Mrs. active do you still doubt that?
