Bluenose Adventure Jacqueline Halsey

Here's a true-to-life adventure story. Arty is a 10-year-old boy who gets the chance of a lifetime -- he's hired to go on the maiden voyage of the famous schooner *Bluenose* in 1921. Young readers will delight in joining along with Arty as he learns his way around the ship amidst the dangers, excitement and intrigue of working on a fishing schooner. When Arty climbs to the top of a mast and spots another ship heading toward *Bluenose* on a collision course, even the captain is grateful for his help. Once he's back in *Bluenose's* home port of Lunenburg, Arty has a real adventure to share with his family and friends.

In this story, based on the real experiences of young boys who worked on board *Bluenose* in the 1920s, Jacqueline Halsey has created a book that celebrates the story of the ship and her famous captain Angus Walters.

From reader reviews:

Ann Morgan:

Now a day people that Living in the era just where everything reachable by match the internet and the resources inside it can be true or not require people to be aware of each information they get. How many people to be smart in having any information nowadays? Of course the reply is reading a book. Studying a book can help men and women out of this uncertainty Information specially this Bluenose Adventure book because this book offers you rich data and knowledge. Of course the data in this book hundred % guarantees there is no doubt in it as you know.

Robert Lee:

Playing with family in a park, coming to see the ocean world or hanging out with friends is thing that usually you might have done when you have spare time, in that case why you don't try issue that really opposite from that. A single activity that make you not sense tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love Bluenose Adventure, you may enjoy both. It is fine combination right, you still would like to miss it? What kind of hang type is it? Oh can happen its mind hangout folks. What? Still don't get it, oh come on its called reading friends.

Betty Bowers:

Bluenose Adventure can be one of your beginning books that are good idea. We all recommend that straight away because this e-book has good vocabulary that will increase your knowledge in terminology, easy to understand, bit entertaining but still delivering the information. The writer giving his/her effort to set every word into pleasure arrangement in writing Bluenose Adventure although doesn't forget the main place, giving the reader the hottest in addition to based confirm resource data that maybe you can be among it. This great information can easily drawn you into completely new stage of crucial contemplating.

Thomas O'Brien:

Your reading 6th sense will not betray anyone, why because this Bluenose Adventure reserve written by well-known writer we are excited for well how to make book that may be understand by anyone who also read the book. Written within good manner for you, dripping every ideas and composing skill only for eliminate your hunger then you still skepticism Bluenose Adventure as good book not only by the cover but also by the content. This is one publication that can break don't ascertain book by its handle, so do you still needing an additional sixth sense to pick this!? Oh come on your studying sixth sense already told you so why you have to listening to another sixth sense.
