Explore and learn to use a variety of puppets, from simple finger puppets and shadow puppets to marionettes and ventriloquist dummies. These short (one- to three-minute) reproducible puppet skits are based on themes (e.g., safety, friendship, or food) that can serve as a focus to the lesson. The author also provides suggestions for related reading, a materials list, and a wealth of tips for the skits -- from voice and ventriloquism to creating and manipulating puppets.
