Lemon-Aid New and Used Cars and Trucks 1990–2016 Phil Edmonston

“Dr. Phil,” Canada’s best-known automotive expert, steers buyers through the new and used car market for one last spin.

After 45 years and almost two million copies sold, this is Phil’s last annual *Lemon-Aid* ? and it’s as tough as ever. Edmonston is a former Member of Parliament, and a board member of Quebec’s Bar Association and Consumers Union. He has won many battles for consumers on picket lines and before the Supreme Court.

The 2016 *Lemon-Aid* has everything: an encyclopedic lineup of the best and worst cars, trucks, and SUVs sold since 1970; a list of the best and worst automaker presidents Phil has worked with, or been sued by; a collection of the worst auto buys of all time; jurisprudence to get your money back; and new car buying tips that save you tons of mone by using lower fuel prices to get cheaper buys; an essential guide for first-time buyers; and a fun gift to smart-aleck gear-heads who don’t know half as much as they think.
