Welcome to Eureka, Colorado, a small town with a big heart—and a cast of characters as homespun as their community and as beloved as family...

With preparations for the annual Founder's Day pageant underway, Eureka is bustling with activity when bank teller Shelly Frazier's sister shows up with a reporter in tow. Shelly has a past no one in Eureka knows about, except her husband Charlie—and she's not eager to share it now that she's made a whole new life for herself as a wife, mother, and enthusiastic volunteer for the local historical society. That said, if anyone is going to tell the story of her days as a media darling, it will be Shelly herself. But she's not the only one wrestling with questions or looking for answers...

While a private investigator is looking for clues to the whereabouts of the swindler mayor Lucille used to date, Maggie Clark is wondering if new husband Jameso is really ready for a lifetime commitment. And Cassie Wynock is all-too-willing to share her family's history with the wider world. Soon enough, the entire town of Eureka will also have to face its past—caverns, ghosts, and all—to understand where the future is going to take them...
